25X1 5. [redacted] NFIC, to a briefing of the Joint Committee on Atomic Energy staff on recent developments concerning the Chinese Communist nuclear energy program. Present from the Subcommittee staff were Commander Edward J. Bauser and George Murphy. Bauser was particularly impressed with the quality of the NFIC photography and both he and Murphy again referred to the fact that the Committee would like to have the Director up sometime during the week of 10 June, preferably in the afternoon of 13 June.

25X1 6. [redacted] Returned to the staff of the House Foreign Affairs Committee two executive session transcripts previously loaned us by the Committee covering testimony by Department of State on their personnel programs.

25X1 7. [redacted] In a chance meeting with Ben Mandel, Senate Internal Security Subcommittee staff, he asked if it were possible for us to remove the restriction on the dissemination of material which we had loaned the Subcommittee on the subject of Soviet military policy. I advised Mandel I would look into this and be in touch with him.
